## ***Definition of Piedmont Community College Alumni***

**Any individual who has enrolled in and successfully completed a course (curriculum or continuing education) or program of study (certificate, diploma or degree) at Piedmont Community College.**

## ***Vision Statement for Alumni Development***

**Piedmont Community College recognizes that its alumni are representatives of the local community and of the quality of education provided by the College. The College is committed to integrating its alumni into advocacy and advisory roles where alumni are visibly leading the way in serving, sharing and supporting Piedmont Community College.**

## ***Mission Statement for Alumni Development***

**Piedmont Community College is committed to strengthening the relationship and bond with its alumni in order to connect the College with its largest constituency group. Efforts will be on going to express positive regard, high esteem and pride in the thousands of individuals who have realized their educational dreams at Piedmont Community College. It is affirmed that the alumni of Piedmont Community College are a valued resource in the College's history and future.**
