Chair:
Director, Public Safety Training and College Safety

Meet:
At least three times each academic year with additional meetings as needed

Roles:
1. To promote a healthy and safe environment for employees, students and visitors consistent with state and federal guidelines.
2. To develop and review, annually, the College’s Emergency Response Plans – Safety and Pandemic Plans.
3. To review and refine the College’s communication systems.
4. To make recommendations to address safety concerns expressed by the College community.
5. To plan and establish regular safety programs to ensure that faculty and staff are trained in the proper use of emergency equipment and procedures.
6. To make recommendations as appropriate to address air quality issues to improve the working environment.
7. To improve the quality of campus life by promoting recycling and green initiatives.
8. To monitor and make recommendations to the College’s Energy and Water Management Plan.
9. To monitor and address buildings and grounds maintenance issues.
10. To review the Facility Master Plan and make recommendations to the Executive Council.
11. To monitor and recommend revisions to Section 4 (Plant Management) of the PCC Policy Manual.
