2019 PCC Summer Camp Descriptions

1st Job? – Skills to Pay the Bills

**June 17-21; 9 a.m. – 1 p.m. on the Caswell County Campus
For ages 16 and up; FREE**

**July 15-19; 9 a.m. – 1 p.m. on the Person County Campus
For ages 16 and up; FREE**

What does it take to be a “Good, Productive Employee?” This camp is interactive, offering hands-on, engaging learning that focuses on six key skill areas: communication, enthusiasm and attitude, teamwork, networking, problem solving and critical thinking, and professionalism! Light your fire as you think about getting a job in the “Real World.” We will engage in role playing, observe individuals who make good choices and those who do not make such good choices in the workplace and find out how they fair. Participate in a “Reality Check” to see what kind of wage is needed to support your family when you become an adult.

Criminal Justice

**June 17 – 20; 8 a.m. – 12 p.m. on the Person County Campus
For rising 9th-12th graders; FREE!**

**June 17 – 20; 1 – 5 p.m. on the Caswell County Campus
For rising 7th-12th graders; FREE!**

Learn about the criminal justice system with guest speakers, classroom discussions, and daily “hands on” activities designed to familiarize you with the duties of law enforcement officers. Fingerprinting, locating and processing evidence (we call it bagging and tagging), and crime scene investigations will provide students with “real world” experiences related to criminal justice.

Worlds to Life with Adobe and Maya

**June 17 – 20; 8 a.m. – 12 p.m. on the Caswell County Campus
For rising 9th-12th graders; FREE!**

Hit the ground running as you learn Photoshop and Maya, amp up your game in creating 3D graphics and settings using Maya, and bring to life your creations through Photoshop. The possibilities are endless during this free Summer Camp!

Games from the Ground Up!

**June 17 – 20; 1 – 5 p.m. on the Person County Campus
For rising 9th-12th graders; FREE!**

This Summer Camp features an in-depth session and rundown over how to build basic video game design from the ground up! Learn graphics and design that are used in the industry and take home knowledge that can help you make your own game! If you ever wanted to know where to start as a game developer, this is one of the first steps!

Agribusiness Technology

**June 24 – 27; 8 a.m. – 12 p.m. on the Caswell County Campus
For rising 7th – 12th graders; FREE!**

Learn about plant and animal science in PCC’s *NEW* Agribusiness Technology Summer Camp! This is your chance to participate in classroom and field instruction in current trends in agriculture. Visit local farms and gain exposure to innovative techniques in sustainable agriculture. Also review the variety of agricultural opportunities within the region, and gain a perspective on its importance to our community.

Exploring Health Sciences Camp

**June 24 – 27; 8 a.m. – 12 p.m. on the Person County Campus
For rising 9th – 12th graders; FREE!**

Interested in a career in the health sciences, including nursing, nurse aide, medical assisting, or phlebotomy? If so, this camp is for you! Participants will be introduced to the various careers through demonstration, hands-on experiences, role play, and visits to local medical facilities. This is an ideal environment to learn about the exciting field of health sciences!

Wonderful World of Hair, Skin, and Nails

**June 24 – 27; 1 – 5 p.m. on the Caswell County Campus
For rising 7th – 12th graders; FREE!**

Learn about the fantastic world of cosmetology! During this Summer Camp, you will learn some of the basic concepts and applications of dressing the skin, hair and nails. Discover correct make-up application and facial techniques and practice your make-up skills on sample worksheets and mannequins. How about nails?? Learn the proper way to polish nails and experience nail art. Participate in a fashion show to close out the week and truly showcase the skills you have learned throughout the week!

Cosmetology: Fantasy Style

**June 24 – 27; 1 – 5 p.m. on the Person County Campus
For rising 9th – 12th graders; FREE!**

Learn, demonstrate, and have a creative mind with styling hair! Discover how to apply protective artificial hair with beads and other techniques, as well as different types of up-do styles. Present your mannequin model on the last day of camp to PCC's faculty and staff!

Mad Scientist

**June 24-28, 2019; 8 a.m. – 4 p.m. on the Person County Campus
For rising 7th – 12th graders; FREE!**

Do you have a young scientist itching to stretch their science muscles over summer break? If yes, then this Mad Science STEM Camp is for you! During this jam-packed week of fun, campers will be fully engaged with interactive experiments teaching both practical and amazing science lessons. Campers will explore the world of chemical reactions, harness the power of the sun to create tasty treats, unleash the awesomeness of the scientific method and much, much more! Optional pre & post workshops held 7-8 a.m. and 4-5:30 p.m. Requirements: Bring your lunch.

Mechatronics Camp

**June 24 – 27; 1 – 5 p.m. on the Person County Campus
For rising 9th – 12th graders; FREE!**

Explore mechanical, electrical, and robotics in team situations. Hands-on activities will consist of motors and controls, belt drives, chain drives, teamwork, hydraulics, pneumatics, basic electrical, rigging and moving, and pumps. Your instructor will also discuss career opportunities in this field of study.

Welding Camp

**June 26 – 28; 8 a.m. – 12 p.m. on the Person County Campus
For rising 9th – 12th graders; FREE!**

Gain hands-on welding experience as you learn the difference between a MIG and a TIG weld. PCC's instructors will also review terminology and equipment safety in this PCC Welding Camp!

CSI-Piedmont

**July 15-19, 2019; 8 a.m. – 4 p.m. on the Person County Campus
For rising 7th – 12th graders; FREE!**

Dive into the world of forensic sciences during this fully engaging, weeklong camp! Campers will explore how to collect evidence, process the evidence using REAL biotechnology laboratory techniques, and discover what it takes to be a police detective. Optional pre & post workshops held 7-8 a.m. and 4-5:30 p.m. Requirements: Bring your lunch. Requirements: Bring your lunch.

Law Enforcement

**July 15-16; 8 a.m. – 12 p.m. on the Caswell County Campus
For rising 9th – 12th graders; FREE!**

Explore personal and social media safety. Learn to protect yourself by using the Color Safety Codes: White: unaware; Yellow: aware, but relaxed; Orange: alert; and Red: fight in progress; plus much more!

Fire Fighter

**July 15-17; 8 a.m. – 12 p.m. at Providence Fire Department
For rising 9th – 12th graders; FREE!**

In this exciting NEW PCC Summer Camp, you will be exposed to exciting highlights of being a fire fighter. Through conversation and hands-on activities, you will become familiar with firefighting equipment and apparatus. Preventing loss of property while learning of fire behavior, tying ropes, and vehicle extraction will also provide you with the “real world” experiences of being a fire fighter.

EMS

**July 18-19; 8 a.m. – 12 p.m. on the Caswell County Campus
For rising 9th – 12th graders; FREE!**

Interested in Emergency Medical Services (EMS)? During PCC's NEW EMS Summer Camp, you will engage in discussions and hands-on activities designed to provide you with the ability to help others in their greatest time of need. Learn life saving measures such as Cardiopulmonary Resuscitation (CPR), treating for shock, stopping bleeding, positioning person for better airway usage, and immobilizing fractures, and more!
