Hybrid Study is a Fast Track to your High School Equivalency (HSE) Diploma!

If you answer YES to these questions, PCC’s Hybrid HSE will be a great fit for you!

Do you want to take the GED® or HiSET® test but do not have time to attend a class?

Do you have basic computer literacy skills or willing to learn them?

Do you have access to a computer or mobile device with Internet access?

Do you have the self-motivation and self-discipline to be able to set your own study times and stick to it?

Could you devote a minimum of six hours per week to your online studies?

Do you have an e-mail account or willing to establish one?

Then Hybrid HSE may be for you!

The course is FREE and the HSE hybrid classes include access to Career Ready® which prepares you to also earn your NC Career Readiness Certificate – a certificate that many local employers value.

### Online Career Readiness 101

May 16 - Aug. 4  
Aug. 15 - Dec. 31

A National Career Readiness Certificate (NCRC) helps prospective employers see that you possess the basic skills they require. Obtaining your NCRC moves you ahead of other applicants! Even if you have a high school diploma (or GED) or a post-secondary degree, the NCRC further verifies that you can handle the kinds of tasks such as: finding information, reading instructions and directions, even working with figures, that are common in today’s workplace.
