

ASSOCIATE IN SCIENCE - ONLINE

The Associate in Science (AS) degree is designed for students who want to pursue a four-year degree in areas of study such as computer science, engineering, mathematics, the sciences or professional programs that require strong mathematics and science backgrounds. In addition to completing core general education requirements, the program allows the student to select additional general education, pre-major, and elective courses in consultation with the targeted 4-year program to which they are seeking to transfer.

Overview ASSOCIATE IN SCIENCE

Piedmont Community College offers three transfer degrees, the Associate in Arts (AA), the Associate in Fine Arts in Visual Arts(AFA-VA) and the Associate in Science (AS). All degrees provide students with a general education core, the foundation for a four-year baccalaureate degree. Courses are offered in the areas of English, literature, fine arts, foreign language, social and behavioral sciences, natural science, mathematics and physical education.

The Associate in Science (AS) degree is designed for students who want to pursue a four-year degree in areas of study such as computer science, engineering, mathematics, the sciences or professional programs that require strong mathematics and science backgrounds. In addition to completing core general education requirements, the program allows the student to select additional general education, pre-major, and elective courses in consultation with the targeted 4-year program to which they are seeking to transfer.

The North Carolina Comprehensive Articulation Agreement (CAA) is a statewide agreement governing the transfer of credits between NC community colleges and NC public universities and has as its objective the smooth transfer of students. A number of private 4-year colleges and universities in North Carolina also subscribed to the CAA. The CAA provides certain assurances to the transferring student; for example:

- Assures admission to one of the 16 UNC institutions (Transfer Assured Admissions Policy)
- Enables NC community college graduates of two-year Associate in Arts and Associate in Science degree programs who are admitted to constituent institutions of the University of NC to transfer with junior status.
- Students are able to meet general education requirements at the 4-year institutions by completing selected pre-approved Universal General Education Transfer Core courses (UGETC)

COURSES

Required Courses for Program

ACA 122	College Transfer Success
BIO 111	General Biology I
BIO 112	General Biology II
CHM 131/131 A	Introduction to Chemistry
CIS 110	Introduction to Computers
COM 231	Public Speaking
ENG 111	Writing and Inquiry
ENG 112	Writing/Research in the Disc
ENG 231	American Literature I
MAT 152	Statistical Methods I
MAT 171	PreCalculus Algebra
MAT 172	PreCalculus Trig
PED 110	Fit and Well for Life
PSY 150	General Psychology
SOC 210	Introduction to Sociology

General Electives (Must take 4)

ART 111	Art Appreciation
BUS 110	Introduction to Business
BUS 115	Business Law I
BUS 137	Principles of Management
CSC 151	Java Programming
ECO 251	Prin of Microeconomics
ECO 252	Prin of Macroeconomics
HIS 111	World Civilizations I
HIS 112	World Civilizations II
HUM 160	Introduction to Film
MAT 143	Quantitative Literacy
PSY 241	Developmental Psych
SOC 220	Social Problems

Total Semester Hours Required for Degree - 60
