

DIGITAL EFFECTS & ANIMATION TECHNOLOGY

Associate of Applied Science | Certificate

The Digital Effects & Animation Program at Piedmont Community College will teach you the skills needed to create animation and graphics for games, television, film and online media.

To learn more visit www.piedmontcc.edu/deat

Overview DIGITAL EFFECTS & ANIMATION TECHNOLOGY

The Digital Effects and Animation program offers hands-on training with computer art and animation programs like Autodesk Maya and the Adobe Creative Suite.

You will learn the technical skills prized by employers and you will acquire proficiency with:

- Team production experience
- Project-based assignments,
- Portfolio preparation
- Design and animation principals,
- Recognition of best practices and industry standards.

Students can earn an Associate of Applied Science in Digital Effects & Animation in two years.

Outlook for EMPLOYMENT

Graduates will qualify for employment as an entry level 2D/3D digital artist in film, television, games & advertising.

- Game Artists**
- Motion Graphics Artists**
- Multimedia Artists**
- 3D Animators & Modelers**
