

Piedmont Community College
Disability Services

Instructions for Registering

In this folder, you will find:

1. **Request for Accommodations** form
2. **Self-Identification** form
3. **Acknowledgement/Receipt of Guidelines and Recommendations for Disability Services** form
4. **Documentation Guidelines**
5. **Consent for Release of Confidential Information** form

In order to register with Disability Services, you will need to submit completed forms along with documentation from a licensed professional in that field describing your disability.

Once the completed forms and disability documentation have been received by Disability Services, your request for accommodations will be reviewed. You will be notified of the accommodations granted.

For questions about the registration process, please contact:

Christina Perry
