

FUNDING ASSISTANCE CONTACTS

If you need financial assistance and reside in our service area, please contact one of the agencies below. Please allow 2 weeks to have your paperwork approved. These agencies will cover *most* of the course fees (registration, textbooks, supplies, credentialling exam, and in some cases gas cards).

Call or email to schedule an appointment. Be sure to leave your name and telephone number. If you return all the required documentation immediately, they can approve you for funding in 1 week or less. Once you successfully complete one course, they can pay for additional courses.

You are required to email me the agency name & email address of the Case Worker by the payment deadline so I can hold your seat. Failure to notify me will result in being dropped from the course for non-payment.
